Description :

I request that I be sent, in electronic form if available, documents and correspondence related to the Inspector General's investigation of the Chemical Safety Board opened July 22 related to the leaked identity of a whistleblower to the Office of Special Counsel. This includes correspondence between EPA officials and CSB chairman Rafael Moure-Eraso, counsel Richard Loeb and other CSB officials. This also includes correspondence with Office of Special Counsel related to CSB personnel matters and the ongoing investigation.

I am filing this FOIA request as a member of the news media as a reporter for Greenwire. This designation entitles me to a waiver of fees accumulated during the actual search and review process. If your agency does determine that I should be charged for any part of this request, please contact me before any searches reach an estimate cost of \$25.

Thank you.
